PRESS RELEASE

Date: April 29, 2008

Case: 08-7735

Incident Title: Theft II/Fraudulent Use/Credit Card **Location:** 29 College Road

On Monday, April 28th, 2008, Fairbanks Police responded to 29 College Road to investigate a window being shattered on a vehicle with a purse and laptop (valued at \$1,825) being stolen. The suspects in the case were seen later in the evening on surveillance video at a local department store using one of the victim's stolen credit cards.

Fairbanks police then received a report of the suspects being present at a business located off of Wembley Avenue. Officers responded to this location and made contact with a male and female who were identified from the earlier surveillance video. They were identified as Jason Bradley BRISSON (2/19/1977) and Brenda Audry RODGERS (8/7/1966). BRISSON and RODGERS were immediately taken into custody and later booked at Fairbanks Correctional Center on identical charges of Theft II (2 counts each), Fraudulent Use of a Credit Card (2 counts each), and outstanding warrants (3 state warrants each).

Following their arrest, the vehicle that BRISSON and RODGERS were occupying upon police contact was impounded and a search warrant was obtained. The vehicle was searched on Tuesday, April 29th, and found to have property relating to numerous cases of recently reported break-ins during the month of April. To date, the Fairbanks Police have approximately 40 cases relating to Criminal Mischief and Theft from vehicles.

Anyone with any information regarding reports of vehicle damages/thefts involving BRISSON, RODGERS, or any other subject of interest is encouraged to contact Lt. Welborn of the Fairbanks Police at 450-6566.
